

# **COBS Bread The Boardwalk Dough Raiser Program**

Monsignor Haller Catholic School has partnered with COBS Bread in an on-going fundraiser. What we need from the school families is your support to shop at COBS Bread The Boardwalk and before the transaction is paid for, let them know your child attends Monsignor Haller. Your total will be added to our "tab" and in May, the school will receive 10% of that total back which can be utilized to fund different programs/events within the school.

- \* Only eligible for the immediate family of the attending child(ren)
- \* You need to notify the staff before you pay
- \* Program runs through the summer months as well

**COBS Bread is THE local community bakery!**
